

Make-up Designory

Material list is current as of January 2010. Material requirements are subject to change, please check with the MUD Shop staff prior to purchasing. Students should be prepared with materials needed to take notes and participate in class. Programs are made up of several different courses and each student is required to be prepared with the materials for each of the classes. In addition to the course materials listed below, the student will need to consult the chart at the bottom of the list and find his or her course or program and be prepared with the expendable items that appear in the course or program column.
